1 I, MICHAEL S. ETKIN, declare as follows:

2 1. I am a partner of the law firm of Lowenstein Sandler LLP (“Lowenstein Sandler”). I  
3 am submitting this declaration in support of the Securities Lead Plaintiff’s Motion Pursuant to  
4 Bankruptcy Code Sections 503(b)(3)(d) and 503(b)(4) for Allowance and Payment of Fees and  
5 Expenses, filed herewith (the “Motion”) with respect to Lowenstein Sandler’s attorneys’ fees and  
6 expenses in connection with services rendered in the above-captioned Chapter 11 Cases (the  
7 “Chapter 11 Cases”) from January 1, 2019 through August 10, 2020 (the “Time Period”).

8 2. My firm was retained by Labaton Sucharow LLP (“Labaton”) to serve as lead  
9 bankruptcy counsel in the Chapter 11 Cases for the court-appointed lead plaintiff, Public Employees  
10 Retirement Association of New Mexico (“PERA” or “Lead Plaintiff”), as well as the putative class  
11 that the Lead Plaintiff represents.

12 3. My firm has been intimately involved in every aspect of the Chapter 11 Cases relating  
13 to the interests of the Lead Plaintiff and the putative class, and has worked closely with Labaton, as  
14 well as local bankruptcy counsel Randy Michelson of the Michelson Law Group (“Michelson”), on  
15 numerous matters before the Court that impacted both PERA and putative class members. These  
16 matters are described in detail in the Motion.

17 4. Together, my firm, along with Labaton and Michelson, have made a substantial  
18 contribution in the Chapter 11 Cases on behalf of the Lead Plaintiff and the thousands of putative  
19 class members who form a significant constituency in the Chapter 11 Cases.

20 5. The information in this declaration regarding Lowenstein Sandler’s time and  
21 expenses is taken from time and expense records prepared and maintained by the firm in the ordinary  
22 course of business. These records (and backup documentation where necessary) were reviewed by  
23 me and/or others at my firm, under my direction, to confirm both the accuracy of the entries as well  
24 as the necessity for and reasonableness of the time and expenses incurred on behalf of Lead Plaintiff  
25 and the putative class. The review also confirmed that Lowenstein Sandler’s guidelines and policies  
26 regarding expenses were followed. With this review, reductions were made to both time and  
27 expenses in the exercise of our reasonable judgment where charges were not appropriate for  
28

1 inclusion in the Motion. As a result of this review and the adjustments made, I believe that the  
2 Lowenstein Sandler fees and expenses reflected in the Motion are reasonable in amount and were  
3 necessary for the effective and efficient representation of Lead Plaintiff, which representation inured  
4 to the significant benefit of the thousands of putative class members whose interests were enhanced  
5 and protected as a result of these efforts.

6 6. The schedule attached hereto as **Exhibit A** is a summary indicating the amount of  
7 time spent by attorneys and professional support staff members of my firm who were involved in the  
8 Chapter 11 Cases, and the fee calculation based on my firm's historic hourly rates. The schedule  
9 was prepared from daily time records regularly prepared and maintained by my firm. These time  
10 records are attached hereto as **Exhibit B**.<sup>1</sup> Time expended preparing the Motion has not been  
11 included.

12 7. The total number of hours spent on this matter by Lowenstein Sandler during the  
13 Time Period which are the subject of the Motion is 3,428.2 hours. The total fee amount related to  
14 the Motion for Lowenstein Sandler for attorney/professional staff time during the Time Period and  
15 based on Lowenstein Sandler's hourly rates is \$2,748,617.50

16 8. The hourly rates for the attorneys and professional support staff of Lowenstein  
17 Sandler included in Exhibit A are Lowenstein Sandler's usual and customary hourly rates, which  
18 have been approved by other federal courts, and are comparable to hourly rates charged by other  
19 professionals in the Chapter 11 Cases. Lowenstein Sandler's requested fees are based upon the  
20 firm's hourly rates, which do not include charges for expense items.

21 9. My firm has incurred a total of \$46,630.16 in expenses in connection with the  
22 Chapter 11 Cases as they related to the Motion. The expenses are reflected on the books and records  
23 of my firm. These books and records are prepared from expense vouchers, check records, and other  
24 source materials and are an accurate record of the expenses incurred.

1 I declare under penalty of perjury that the foregoing is true and correct. Executed this 31st  
2 day of August, 2020.
